VP PENCE HAS BROAD CONSTITUTIONAL AUTHORITY AND DISCRETION UNDER THE 12TH AMENDMENT OVER HOW THE JANUARY 6 JOINT SESSION SHALL BE CONDUCTED, **SHOULD HE CHOOSE TO EXERCISE IT**. THIS IS TRUE REGARDLESS OF LACK OF SUPPORT FROM RINOS.

"... Which lists they shall sign and certify, and transmit sealed to the seat of the government of the United States, **directed to the President of the Senate;—the President of the Senate shall**, in the presence of the Senate and House of Representatives, **open all the certificates and the votes shall then be counted** ..."

The Constitution itself does not explicitly define the limitations on the power of the President of the Senate within the Joint Session on January 6. In fact, it uses quite broad language and grants him a great deal of discretion.

The Twelfth Amendment states that the lists of electoral votes are DIRECTED TO the President of the Senate, i.e. the Vice President.

It then states that the President of the Senate SHALL ... OPEN ALL THE CERTIFICATES, and that the votes SHALL THEN BE COUNTED.

While there are several federal statutes under U.S. Code outlining the process for this vote counting and putting forward objections against electoral votes, the Constitution itself clearly designates the President of the Senate as the Presiding Officer, and basically "in charge."

VP Pence has tremendous Constitutional authority in the proceeding on January 6, if he decides to use it.

The RINOs will provide very little support, but it does not change this fact.

To address the obvious question:

WHAT HAPPENS IF VICE PRESIDENT PENCE ELECTS NOT TO OPEN ONE OR MORE CERTIFICATES OF ELECTORAL VOTES?

It is unknown, but obviously a possibility.

"lists THEY shall sign and certify" - the "THEY" is the ELECTORS!!! NOT sec of state, gov, whatever! Both sets of BALLOTS AND LISTS are the SAME, certified by ELECTORS!! What if the DOJ or the JAG whoever has

jurisdiction serves a warrant on the President of the Senate demanding the FRAUDULENTLY CERTIFIED BALLOTS AND LISTS FOR BIDEN to be used at the TRIAL OR TRIBUNAL OF THE ELECTORS FOR TREASON!!! Then he has ONLY ONE SET!!! Would be WILD!!

"ELECTS"

I see what you did there :)

Anyway, doesn't the law say "open all"? Pence will find a way to follow the law that preserves his and President Trump's rightfully won second term.

And if the House of Representatives shall not choose a President whenever the right of choice shall devolve upon them, before the fourth day of March next following, then the Vice-President shall act as President, as in case of the death or other constitutional disability of the President.—]The person having the greatest number of votes as Vice-President, shall be the Vice-President, if such number be a majority of the whole number of Electors appointed, and if no person have a majority, then from the two highest numbers on the list, the Senate shall choose the Vice-President; a quorum for the purpose shall consist of two-thirds of the whole number of Senators, and a majority of the whole number shall be necessary to a choice. But no person constitutionally ineligible to the office of President shall be eligible to that of Vice-President of the United States.

And if the House of Representatives shall not choose a President whenever the right of choice shall devolve upon them, before the fourth day of March next following, then the Vice-President shall act as President

Why does it look like the Constitution gives another *two months* for the House to choose a president, if they don't get around to it on Jan 6? Some legalpede help us out here....

I agree with this, though I don't want anything bad to happen regardless. It's kind of pointless to enact a false flag when we are already living under totalitarian rule under the guise of COVID-19 and the US Presidential election was blatantly stolen in front of the people's own eyes and all in power are standing around right now saying, so what? What are you going to do about it?

Don't be ruled by fear or trepidation over what may happen. Head on a swivel, yes. Have plans and contingencies (do some drills), yes. I'm not advocating naive happy talk. But you can't let the unknowns wrt your enemies intentions and movements paralyze you.

I would not worry about it. Every time a major event comes up the soothsayers say "BEWARE OF FALSE FLAGS" and then they never happen, and no one calls them out for it.

They're like climate scientists that make a million models and then when one is right they say "see we told you so!" but want you to forget about all the other times they were wrong.

There will be a lot to do. I fully expect BLM/Aunt Tifa to be there. I fully expect that the MAGA Party will demonstrate the Rule of Law. I do expect there to be bloodshed. I do expect that a little over a month from now, we'll all be resting easy as Big Daddy T lays an end to the riots. I fully expect them to try to Impeach him if he doesn't arrest the heretics. 2020 is nothing compared to draining the swamp in 2021.

How bout we go one further.....

The Great American Reset By We The People USA

The men who risked every thing in 1776 had no permission from anyone. They had moral permission. Right from wrong permission. They fought against tyranny to give us this great land. Understand This: Government Cannot EVER Function without the expressed consent and confidence of WE THE PEOPLE!

Therefore: Consent and Confidence may be withdrawn at anytime. It can happen en masse and one single day. Imagine what 74 plus million people can do at one time in one day. Whatever they choose.

Recommendation: On January 20, 2021, WE THE PEOPLE (74 plus million) occupy every corrupted STATE/LOCAL Legislature and Bureaucracy. We create Autonomous Zones and accept all resignations, institute transition governments and hold new elections in six months.

Not LEO, nor Military with intervene. All we need is pitchforks and people to pull off the Great American Reset. Not one shot fired!

Share, Coordinate, and Activate on Independence Day 2. January 6, 2021

I got an idea -- maybe if others have something that says thedonald.win , pedes will know. Not usernames ofc because that would expose them, but this could help with making friends irl, even ones locally that you did not know were there! Trump unifies us

if I do that, then yes. A blank shirt. I'm not wearing any of my nicer stuff. Things might sideways, with faggot-tifa. If so, I don't want any of my good stuff getting ripped up lol.

You can buy plain tshirts at Michaels or any other craft store for about \$4 if you want to do this cheap

We should have a way to identify fellow T_D people in the crowds. Maybe a sticker or something.
